Technical Delegates Report

Subject – Engine and gearbox change car No 5 (F. Wohlwend)

Due to mechanical damage identified on engine number 089 and gearbox number 191002 which cannot be rectified on site approval has been granted to change the engine to number 101 and gearbox number 190604 prior to the start of the race.

This is acceptable and in line with W-Series technical regulation art 36.2 and 38.2 as this is a designated spare engine.

In line with art 36.2 the car must be presented for re-scrutineering prior to the next session in which it is to compete.

A report will be provided to confirm the engine, gearbox change and re-scrutineering of the car.
