### Technical Delegates Report

Subject – Drivetrain change pre selection.

The following places have been randomly selected for the drivetrain changes in accordance with W-Series sporting and technical regulations article 38.3.

The driver classified in 1<sup>st</sup> place will change drivetrain with the driver classified in 11<sup>th</sup> position. (In the event that the driver classified as 1<sup>st</sup> has already used that power train it will be changed with the car classified in 7<sup>th</sup> position).

The driver classified in 2<sup>nd</sup> place will change drivetrain with the driver classified in 9<sup>th</sup> position. (In the event that the driver classified as 2<sup>nd</sup> has already used that power train it will be changed with the car classified in 13<sup>th</sup> position).

The driver classified in 3<sup>rd</sup> place will change drivetrain with the driver classified in 6<sup>th</sup> position. (In the event that the driver classified as 3<sup>rd</sup> has already used that power train it will be changed with the car classified in 14<sup>th</sup> position).

Should any driver have used both of the drivetrains listed above a number will be drawn at random to determine the drivetrain to be changed.
