EVENT NOTES

To amend the detail given in the Driver's Briefing.

1. END OF RACE PROCEDURE

- 1.1 Cars on the track will take the chequered flag, then proceed around the lap slowly and with caution. **The first three cars are to stop on the grid**, from where the drivers will then be taken to the podium for the podium celebration. All other cars are to leave the track into the pit lane and then into the Support Paddock.
